A Memorandum to the State of Israel concerning the existence and influence of Mars on regional security and Gaza militant rocket fire

For three consecutive years, I predicted the time-frame that an increased number of Gaza rockets would be fired into Israel relative to the rest of the year, all by observing the position of the planet Mars. Gaza militants are influenced by this planet, the ancient god of war. The same god of war that backed the Romans when they sacked the temple in AD 70. Mars within 30 degrees of the lunar node in 2022 takes place between June 22, 2022 to Sept 19, 2022 and is currently in motion as of August 7th, the date of this writing. The dates of Mars being within 30 degrees of the lunar node were set back in 2019 in Ares Le Mandat. Here is the earliest source. Go to the end of chapter 24 to see the list of dates for expected increased rocket fire relative to the rest of the year https://archive.org/details/areslemandat_20191110/page/n349/mode/2up

Here is proof that the PDF is from November of 2019 https://archive.org/download/areslemandat_20191110

In early August of 2022, as predicted by this thesis, Gaza militants began firing rockets en masse towards the civilian population in Israel. Over 1000 so far. They also fired an increased number of rockets back in 2021 and 2020 during the time-frame of Mars being within 30 degrees of the lunar node. This pattern goes back to 2007 as explained in Chapter 24 of Ares Le Mandat. (it actually goes back to 2006, and may go back further). Obvious pattern here, and I demonstrated this in real time in 2020, 2021, and now 2022. See Youtube videos.

The thesis still stands: The time-frame of when Mars is within 30 degrees of the lunar node is the time when rocket fire from Gaza into Israel will be highest compared to the rest of the year. This was the case in 2020, when I predicted that rocket fire between January 15, 2020 and April 3rd 2020 would exceed rocket fire during other months in 2020. This is confirmed. https://www.youtube.com/watch?v=e5GxO4ZW2fc

It also happened again in 2021 when on record on video, I predicted that rocket fire from Gaza into Israel between February 9, 2021 to May 13, 2021 would exceed rocket fire in the other months in 2021. Once again confirmed https://www.youtube.com/watch?v=v1sA-ZS73Lw&t

Here is where I predicted well in advance that Gaza militants would fire an increased number of rockets at Israel between June 22, 2022 and Sept 19, 2022. https://www.youtube.com/watch?v=6EniwV0TWew

Here I advised the state of Israel should build an image to Mars/Ares in order to tame its influence. Same concept as the building of the bronze serpent on the book of Numbers https://www.youtube.com/watch?v=wwsGqQK7OV4&t

Here is the video where I introduce the Armaaruss as the image that should be built under the same concept as the bronze serpent mentioned in the Book of Numbers. In the video, I also advise that the Mars 360 system and the astrological marking system be applied to commerce(buying and selling). https://www.youtube.com/watch?v=KgTiALILAGk

Here is an overview of the Mars 360 system and why it should be a worldwide accord https://www.youtube.com/watch?v=w_MGptS4HWY

This document is to serve as evidence for the existence of another god that is clearly active in the world, and as a spokesperson for the existence of Mars, we hope that the orthodox community will recognize his existence since he acknowledges the God of Abraham.
